4-6

Memory Verse:

James 1:12

God will bless you, if you don't give up when your faith is being tested.

Faith helps you to do great things. Abraham and Moses did great things for God because they had faith. They obeyed and followed God's directions. Your faith may be small now. But as you trust God and do what He asks, it will grow.

Your Challenge: Practice your faith every day. Help it grow by reading God's Word and talking to Him. Learn to trust Him in the little things and then when something big comes along, you will be ready to trust Him in that situation. Why not take this week's challenge and watch your faith grow some more! You'll need a piece of foil and a handful of rubber bands. Crush the foil into a ball. Add a rubber band to the ball every time you practice your faith this week. If you ask God for help and are waiting in faith, add a rubber band. When you obey because you trust God, add another rubber band. Add another one if you follow an idea you believe God gives you.

How big is your ball getting? It grows slowly. But each time you use your faith and trust God, your faith grows a little, like the ball. How big can your ball get? When you go to church next week, tell your teacher about how you grew in faith. And tell your teacher that faith helps me to do great things!

★ Lesson 49 ★

Bible Lesson: Hebrews 11

Faith helps me to do great things.
