Are you in shape? Check your muscles, check for unbelief, check for sin. Are you ready to run? The race of faith is not an easy one, but you can do it. You have a Bible full of people who have run the race successfully. When they fell, they got up and ran again. God will bless you if you don't give up when your faith is tested. Faith helps you do great things for God.

**Your Challenge:** Choose someone from Hebrews 11. Be a detective. Figure out why God chose that person as a man or woman of faith. Read their stories. What great things did they do for God? Did they make mistakes? How can their stories help you do great things for God? Do you have to do a miracle to please God? The secret is to obey God and not give up, because faith helps you to do great things.

*Write a couple of sentences on the back of this page to remind you what you learned about the people you checked out from Hebrews 11. Come and share it next week. Remember: Don't give up, because faith helps you do great things!*
